About:

This seminar is designed for any parent or caretaker who is expecting, adopting, fostering, or sitting for a new baby and who has pets at home. Dogs, cats, reptiles, birds, and critters may be discussed, depending on audience need. Helpful tricks, tips, and advice will be shared that can be implemented immediately. The sooner you prepare your pets, the better your chances of success! Course includes helpful handouts, plenty of Q&A, resources, and more.

Refunds & Cancellations:

- Class may be canceled due to inclement weather or lack of interest (fewer than two couples)
- Purchased tickets for canceled classes will be refunded
- Attendee cancellations less than 24hrs prior to start time and no-shows will not be refunded
